2. **THE FACILITY, TERM LOAN**

2.1. **The Facility**

Subject to the terms and conditions of this Agreement, the Lender hereby agrees to make available to the Borrower a Facility equal to the Total Commitments as follows:

- (a) the amount of USD 25,000,000 (twenty-five million U.S. Dollars) already funded by the Lender and received by the Borrower under the Original Agreement; and
- (b) the amount of USD 5,400,000 (five million four hundred thousand U.S. Dollars) to be funded no later than the Closing Date.

2.2. **Purpose of Facility**

The Term Loan shall be used by the Borrower for its acquisitions and general corporate purposes, including but not limited paying off existing debt, which in the reasonable opinion of the Borrower’s management is in the interest of the Borrower.

2.3. **Term Loan**

Upon satisfaction of all conditions precedent listed in **Article 4 (Conditions Precedent)**, the Lender will direct KBC Bank NV to disburse the amount of the Term Loan specified in Section 2.1 (*Facility*) above to the bank account notified by the Borrower in writing to the Lender.

The Term Loan will be repayable in accordance with **Sections 3.4** and **3.5** and bear interest in accordance with **Section 3.2**.

2.4. **Ranking of Obligations**

The Borrower's obligations to the Lender hereunder shall constitute senior indebtedness of the Borrower and shall at all times rank no less than *pari passu* with all other unsecured obligations of the Borrower.

3. **PAYMENTS**

3.1. **General**

All payments to be made by the Borrower to the Lender under this Agreement shall be made in USD in immediately available funds, without set-off or deduction, to the Bank Account or to any other bank account to be notified subsequently to the Borrower by the Lender in writing.

The parties hereby acknowledge and agree that the Lender shall withhold from the Total Commitments the following amounts: (i) USD 500,000 (five thousand U.S. Dollars) as Additional Arrangement Fee as further described under section 7 below and (ii) USD 822,222 (eight hundred twenty-two thousand and two hundred twenty-two U.S. Dollars) corresponding to the unpaid and accrued interest for the period from 2 February 2015 to 30 June 2015.

As a result of the above paragraph, the net funds in the amount of USD 4,077,778 shall be provided by the Lender to the Borrower by wire transfer no later than the Closing Date (31 July 2015).

3.2. **Interest**

Interest on the Outstanding Principal Amount shall accrue daily from the date of drawdown of the Term Loan at the Interest Rate and shall be calculated semi-annually by the Lender on the basis of a year of 360 days for the actual number of days elapsed, and is payable semi-annually in arrears on each Interest Payment Date to the Bank Account. The Lender shall send to the Borrower the detailed calculation of the payable accrued interest at least ten (10) Business Days prior to each Interest Payment Date.

In no event shall the interest rate applicable hereunder exceed the maximum rate of interest allowed by Law; any payment of interest or in the nature of interest in excess of such limitation shall be credited as a repayment of principal.

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day.

Notwithstanding any other provision in this Agreement, the parties hereto acknowledge and agree that unpaid and accrued interest for the period from 2 February 2015 through 30 June 2015 in the amount of USD 822,222 (eight hundred twenty-two thousand and two hundred twenty-two U.S. Dollars) is to be held back by the Lender as provided in Section 3.1 (*General*) above.

3.3. **Default Interest**

Any payment due under this Agreement (whether principal, interest, fees or other) which is not made on the due date in accordance with this Agreement shall bear an interest rate of 12 % (twelve per cent) per annum from the due date until such payment is fully made. Default interest shall accrue automatically as of right without need of notification to the Borrower. Default Interest (if unpaid) arising on an overdue amount will be compounded at the end of each Interest Period applicable to that overdue amount but will remain immediately due and payable.

If the Lender fails to fund on a timely basis as set forth in this Agreement, the Lender will pay to the Borrower Default Interest on the amount not funded as requested. This will be a credit against interest owed.

For the avoidance of doubt, Default Interest shall apply to both (i) the Lender for any funding amounts not delivered within the timeframe set forth in this Agreement and (ii) to the Borrower for any repayments not made within the timeframe set forth in this Agreement.

3.4. **Principal**

Subject to the application of **Section 3.6** (*Voluntary Prepayment*), the Borrower shall repay the Outstanding Principal Amount in whole to the Bank Account on or before the Maturity Date.

3.5. **Mandatory Prepayment**

If the Borrower raises an amount greater than USD 50,000,000 through the issuance of a single security before the Maturity Date, subject to certain Prepayment Event Exclusions, such proceeds shall be applied by the Borrower first, net of any fees or costs, to the prepayment of the Total Commitment (together with accrued interest as of the mandatory prepayment date) without any penalty or prepayment fee.

The Borrower will have ten (10) Business Days from the date it received the total funding proceeds to satisfy its obligations under this Section 3.5

3.6. **Voluntary Prepayment**

- (A) The Borrower shall be entitled to prepay, at any time, without penalty or prepayment fee, the Outstanding Principal Amount, (the "**Voluntary Prepayment**") and subject to delivering a Notice of Prepayment to the Lender not less than 30 days prior to the Prepayment Date (as defined below); provided that such prepayment shall be an integral multiple of USD 1,000,000 (one million Dollars).
- (B) The Notice of Prepayment shall specify the date where the proposed prepayment is to be made (the "**Prepayment Date**") and the principal amount of such prepayment (the "**Prepayment Amount**"). A Notice of Prepayment once delivered to the Lender is irrevocable and the Borrower shall be obligated to pay the Prepayment Amount to the Lender on the Prepayment Date, together with the additional amount set forth in Paragraph (C) below.
- (C) In addition to the Prepayment Amount, the Borrower shall pay to the Lender on the Prepayment Date the Interest accrued on the Prepayment Amount up to the Prepayment Date.
- (D) Any Prepayment Amounts repaid by the Borrower to the Lender may not be re-borrowed or re-loaned. Any Voluntary Prepayments will reduce permanently the aggregate maximum amount of the Facility.

3.7. **Taxes**

All payments made by the Borrower hereunder shall be made free and clear of, and without deduction or withholding for, or on account of, any present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto now or hereafter imposed, levied, collected, withheld or assessed by any governmental authority, excluding taxes imposed on the net income of the Lender and all income and franchise taxes applicable to the Lender (all such non-excluded taxes, levies, imposts deductions, charges, withholdings and liabilities, "**Taxes**"). If the Borrower shall be required by law to deduct or withhold any Taxes from or in respect of any sum payable hereunder, (i) the sum payable shall be increased to the extent necessary so that after making all required deductions (including deductions applicable to additional sums payable under this subsection), the Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall timely pay the full amount deducted or withheld to the relevant tax authority or other authority in accordance with applicable Law. In addition, the Borrower agrees to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies which arise from any payment made hereunder or from the execution, delivery, assignment, transfer, registration or enforcement of, or otherwise with respect to, this Agreement ("**Other Taxes**"). If the Borrower fails to pay any such deduction or withholding when due to the appropriate governmental authority, the Borrower shall indemnify the Lender upon demand for the full amount of Taxes or Other Taxes (including any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this subsection) that may become payable or have been paid by the Lender as a result of such failure, and any liability (including penalties, interest and expenses) arising there from or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted, and the Lender's calculations of the amount of such Taxes or Other Taxes shall be conclusive absent manifest error.

- 3.8. Failure or delay of less than thirty (30) calendar days from the date such compensation may be requested on the part of the Lender to demand compensation pursuant to this **Article 3** shall not constitute a waiver of the Lender's right to demand such compensation.
-

4. CONDITIONS PRECEDENT

The Company restructured and consolidated its existing current debt of \$28.0 million USD with an amendment to the Company's existing Facility Agreement with its lender, Conrent Invest through its compartment Safety II. The \$30.4 million USD facility, effective June 30, 2015, will bear interest at an annual fixed rate of 8%, is unsecured, includes a no-cost voluntary prepayment option, and matures on July 31, 2018. Proceeds will be used to consolidate existing loans that mature over the next six to nine months, including fees and accrued interest through January 2016.

"The restructuring of our existing debt facility illustrates our lender's confidence and commitment in our business model and strategic direction both domestically and internationally," said John Merrill, Track Group Chief Financial Officer. "We took advantage of favorable terms to create a stronger capital structure improving liquidity and flexibility to support our priorities for cash flow; invest in our global platform-as-a-service business, fund acquisitions, and provide support for our continued growth momentum."
