

SecureAlert, Inc. Becomes Track Group in Corporate Rebranding

A new name, look and leadership team to carry the company into the future and better convey its value proposition.

SecureAlert, Inc. Launches Corporate Rebranding

FOR IMMEDIATE RELEASE: SecureAlert, Inc. – Wed, Oct 1, 2014 06:58 AM EST

SALT LAKE CITY, UT– SecureAlert, Inc., a premier provider of global tracking and monitoring services, announced that it has rebranded. SecureAlert, Inc. will begin operating under the new trade name Track Group effective immediately. With the adoption of its new name, logo, and brand identity, Track Group has simultaneously launched their redesigned website <http://www.trackgrp.com/>. The rebrand is the positive outcome of the company's recent acquisitions and broadening footprint in the USA and worldwide, unprecedented growth, and increasing recognition. The rebranding will continue to build and foster Track Group's unparalleled dedication to offering innovative technologies and tracking capabilities that leverage real-time data, best-practice monitoring, and analytics to create complete, end-to-end solutions.

"SecureAlert's re-branding represents our evolution and direction," said Chairman, Guy Dubois. "This change is a logical step in our succession and gives us an umbrella under which we can continue to expand our products, services, and locations during our next phase of growth and development. We are so much more than just a device-driven company and this represents an important step to better communicate our value proposition."

"Our new brand identity communicates that we're an innovative and forward-looking company with a commitment to ensure the success of every client and agency we serve," said Steve Hamilton, Chief Marketing Officer. "We are driven to consistently outpace our competitors, leverage new technologies and tracking capabilities to create valuable solutions for our customers and maximize investment returns for our shareholders."

About Track Group:

Track Group (formerly SecureAlert) is a premier, global provider of customizable tracking solutions that leverage real-time tracking data, best-practice monitoring, and analytics capabilities to create complete, end-to-end solutions.
